### Grass Lake Warriors Dual Sport Contract

\*Dual sport is defined as an athlete participating in two sports in the same season.

Any athlete electing to do two sports in the same season agrees to:

1. Athlete declares his/her preferred sport before the season competition begins
  - A. In game/meet conflicts the preferred sport takes precedence.
  - B. The athlete must communicate with both coaches on a daily basis
  - C. The athlete may not quit the preferred sport after the declaration and subsequently switch to the other sport.
  - D. If the athlete should experience academic problems, the secondary sport should be dropped.
  - E. Conference/Regional meets and/or Predistrict District games may take precedence over the declared sport if there is **mutual consent** by both coaches ahead of time.
  - F. The day of a contest the athlete should practice with the preferred team.
  - G. Written parental permission is required for any athlete to participate in dual sports before the 1<sup>st</sup> competition of that season and on file with the Athletic Director.
