Mr. Thompson divided the school board members into three groups and assigned them to three locations, each group with a different discussion topic. The students were divided into three groups and instructed that they would spend approximately 20 minutes with each group of board members, so they would all have a chance to discuss the three topics: Hybrid Classes at the High School, Additional AP Classes, and Bullying.

Following the allotted discussion, board members reviewed the discussions in their groups.

Mr. Waskiewicz asked for the pros and cons of the meeting format. There were suggestions from students to meet with the board more often, meet again at the end of the school year, and to receive a copy of the questions before the meeting so they could get input and feedback from other students.

Mr. Thompson thanked the students for attending and participating.

#### 9. Adjournment

Moved by Member Paterra, supported by Member Seaburg, to adjourn the meeting. The meeting was adjourned at 8:20 p.m. All present voted Aye. Motion Carried.
