- Warrior Nation is a strong vibrant community but there are always ways to improve. Discuss new and creative ways to build a positive culture here at Grass Lake. This can include supporting the community, sports, school activities, and activities that include multiple buildings.
- Safety - with the many changes to our school building how well do you, as a student, feel informed about our new security system. Does the new security system give you as a student a feeling of safety? Would you classify Grass Lake Schools as a safe environment and do you feel that we are doing the best we can to make sure we are taking care of our students?
- Grass Lake Community Schools offers many opportunities. How can you as a student capitalize on these opportunities? Do the opportunities offered by Grass Lake High School fit your future career needs and wants? Opportunities can include classes, clubs, and sports (E-sports), etc.
