March 9, 2021

Good Morning:

On Monday evening the school board voted to alter the “Return to Learn Plan” that was implemented last fall. As a result, beginning the week of March 22, 2021, Grass Lake Community Schools will discontinue the Virtual Instruction Wednesday and provide face-to-face instruction five days per week (Monday thru Friday). The start and end time for each school day will continue to follow the same schedule that has been used on the face-to-face instruction throughout the school year.

With this in mind, it is also time for families to determine if students are going from virtual to face-to-face or visa versa for the fourth quarter which begins on March 22, 2021. We are asking that if you would like to change the instructional format for your student, that you contact your student’s building office by Friday, March 12, 2021, or no later than Monday, March 15, 2021. This will allow the administration and counselors to make any necessary changes to schedules.

If you have any questions, please do not hesitate to contact the school offices. We hope to have a great final quarter of the school year. Please stay safe and healthy.

Dr. Ryle E. Kiser
Superintendent
