

8431A - INTEGRATED PEST MANAGEMENT

Pesticide Use In and Around Schools Notification

Within thirty (30) days of the beginning of each school year, the primary administrator for the school district or his/her designee, shall provide written notification to parents (or guardians) of children attending the school of their right to be informed before any pesticide application is made to the school property. The notice shall be on a form containing statements that pesticides may periodically be applied to school property and that parents (or guardians) have a right to request prior notification of such pesticide applications. The form will also state that in the case of an emergency, pesticides may be applied without prior notice, but that those parents who request notification will be notified of the emergency application after it occurs.
