February 3, 2021

Grass Lake Community School Families:

This note is to notify and to remind all families of calendar changes for the month of February so you will have ample opportunity to schedule or change any child care plans. The following are dates to be planned for:

February 10th (Wednesday): **Face-to Face Instruction Day** - This is a student count day for the district so the district will be face-to-face instruction for that day.

February 12th (Friday): **No School** – Winter Break

February 15th (Monday): **No School** – Winter Break

February 16th (Tuesday): **Virtual Instruction Day** - This is the scheduled day for the staff to receive their second shot for the COVID vaccination so this day will be virtual instruction with no face-to-face offered.

February 17th (Wednesday): **Virtual Instruction Day** – No Change in format. This is a ½ day of virtual instruction. The staff will have professional development for the remainder of the day.

February 18th (Thursday): **Face-to Face Instruction Day** – No Change in format at this time. However, it might be a good idea to have a “Plan B” in place. There is a possibility some of the staff may have a reaction to the second vaccine shot which could have an impact on their being able to provide face-to-face instruction. In that case, this day could be a virtual instruction day as well.

Once again I would like to thank you for your support of the schools and the staff as we continue to work our way through these challenging days.

Dr. Ryle Kiser
Superintendent
