Warrior Students, Parents, and Community Members:

After being the superintendent of Grass Lake Community Schools for the past 8 ½ years, I have informed the Board of Education of my plans to retire after the 2023-24 school year. I have tentatively set June 30, 2024 as my last day of employment. I have decided to move on to the next phase of my career by accepting a professorship at a university. I will work with the staff, administration, and the Board of Education in filling the position of superintendent to the best of my abilities. I will communicate any further information at a later date.

Go Warriors!!!
