

Warrior Wonderland Shop

This is a chance for our students to bring home a gift they picked out for their loved ones. Our goal is to be the least expensive place for your student to shop for their loved ones this holiday season.

Gifts range in price from \$.50 to \$12, most are under \$5.

Students will come down to the shop with their classes to choose gifts for their families. You can give detailed instructions on the envelope that will come home directing us and allowing us to better help your student shop.

This year, our elves did all the shopping themselves instead of an outside company. Our merchandise is from online companies, Sam's, Rite Aid, Walgreens, Kohl's, Dollar General, Costco, Target and some handmade items. Everything was purchased on sale, allowing us to offer items at a lower cost than retail.

We will be open late one evening for parents to shop if they prefer, watch the announcements for dates and times!

If you would like to be one of our elves, a sign up will be included in the announcements from Christy. We are also hoping for donations of gently used holiday gift bags, tape and tissue paper.

Our social worker works hard to identify students who are in need and otherwise wouldn't be able to bring gifts home. Any donated change will fund those purchases.
