Family costs. If your student has a balance for college courses, have your student log into Jet Stream with his/her log-in credentials and select Student Finance. You can view any balance owed and pay on-line. Districts normally pay their portion about mid-way through the term. You are encouraged to check with your high school office about costs you may incur.

If you have questions and need assistance in any way, please contact Jean Logan, JCEC administrator, at [info@jxncec.org](mailto:info@jxncec.org) or 517.581.2003.
