

The College Application Process

Steps to completing your college applications

Steps to Success

STEP 1 1) After careful research, get **applications from select colleges or apply through The Common App.**

STEP 2 If you are on free or reduced lunch, contact an Admissions rep from each particular school to see about getting an application fee waiver.

STEP 3 Make sure you know application deadlines for each school you are applying to

Application Sections

STEP 4 Student section:
Some applications require you to report your class schedule, class rank, and GPA. **MAKE** sure this is all correct!

STEP 5 Transcripts **MUST** be requested through Parchment.com, unless the site charges a fee for colleges that do **NOT** accept electronic versions of transcripts. **THIS IS RARE!**

STEP 6 Some colleges require a Counselor's Section. Turn this into Ms. Sitarz. Make sure to complete a check list of items that are needed to make your applications complete!
