

# Army

## Important things to Note!

Check out the JROTC Program at the career center if you are interested!

There are other career fields than just being on the frontlines of combat!

Don't believe everything you hear from a recruiter! Talk to others!

Score well on the ASVAB!

\*\*all info on this page is

adapted from gov. websites

# Air Force

## Important things to Note!

Build time management, physical fitness, and analytics that will serve you in the business world or stay in the Air Force

Juniors can apply for ROTC scholarships beginning in May.

If you think you are Academy material begin contacting your congressman EARLY, to get the required Congressional Letter of Recommendation!

# Coast Guard

No Congressional nomination for the Academy, admission is based strictly on merit!

Fewer than 300 applicants are accepted every year

EVERY DAY The Coast Guard saves lives, helps people in distress, seizes illegal drugs, performs safety examinations, responds to hazardous spills.

Interested students should do the AIM summer program for Juniors!

Fields of study include: Civil, Electrical, Mechanical, Marine engineering, Naval Architecture, Gov., Marine Sciences. and more.

# Navy
