B & G NEWS

We have had a TERRIFIC start to the school year! It's been great having the GLMS family back together. We are proud to include this year's 6th graders, our new students, and of course the staff of GLMS! There have been some changes to our team for this year. We are excited for you to meet the following new members of the GLMS Education Team!

NEW STAFF MEMBERS:

- Mrs. Resha Willis is our GLMS Social Worker. Read "Counselor's Corner" to hear from her.
- Mr. Roger Cook has made the change to GLMS Physical Education and 6th Grade ELA. "I am looking forward to moving to the middle school. I look forward to seeing all my former students as well as meeting new students. I enjoy fishing, hunting, farming, and spending time with my wife and two kids in my spare time. "
- Mrs. Haley Neuland is teaching 7th grade Math. "I am so excited to jump back into the classroom after a brief hiatus and to be a part of the GLMS family!"
- Mrs. Emily Mathews has taken over the front desk of the GLMS office. "I have been involved with Grass Lake Schools for the past nine years as a parent and substitute. I am excited and honored for my new role as Administrative Assistant at Grass Lake Middle School! My husband, Ed, and my two children, Evan and Eva, also join me on this new adventure."
- Mrs. Janine Hawley is spending the first half of her day with GLMS and her afternoon at GLHS. She is teaching 6th & 7th grade special education. "This will be my 13th year teaching. Yes, lucky 13! I am looking forward to getting to know the wonderful people and students of Grass Lake. I live in Grass Lake with my husband and three children."

COUNSELOR'S CORNER

I am so excited to be joining the Grass Lake team this year! I have 2 middle school aged boys of my own and enjoy spending time with them and my husband. My primary role will be to provide counseling and support services to students. I am looking forward to working with students, parents, and teachers to assist with the mental and emotional health needs of students and their families. Please do not hesitate to reach out to me if you have any questions or need any assistance. I hope to meet you soon!

GLMS PTO

Be on the lookout for opportunities to honor our students and teachers. We depend on a small but steady volunteer posse to generate service (volunteer hours) that then provides revenue geared toward providing supplies and programming for our very special MS student body and staff - books, special speakers/ assemblies, classroom supplies, and even some big ticket items like new furniture, gym equipment, etc. **NO PRIOR SKILL OR TRAINING REQUIRED!** You provide the time, we provide the instruction, and a great big thank you! Concessions, book fairs, and more - our first planning meeting is scheduled for Tuesday, Sept 19 at 4:00 PM in the Library!
