Grass Lake Community School District (GLCS) is providing and administering an accident protection as part of our current digital learning initiative. Enrollment in this plan is required for anyone planning to take a school district electronic device home who has not otherwise provided evidence of coverage that is acceptable to the district and equal to or greater than what is indicated in this agreement. This plan covers “accidental damage” to the electronic device and is designed to limit individual financial responsibility for any damage as described in the coverage section below. Each school year the annual premium begins coverage for all electronic devices provided by the school district for use by individual staff members or students. In addition, each electronic device is covered under a manufacturer's warranty that covers the normal operation of the electronic device to ensure that it is functioning properly.

### Program Rate/Coverage

- \$25 annual premium
- \$5 copay for 2<sup>nd</sup>/3<sup>rd</sup> device claims
- Full repair coverage after third claim
- Limit of Liability: \$300 annually for each separate electronic device.

### Effective Coverage/Expiration Date

- Effective Date: Based on the receipt of signed agreement.
- Expiration Date: Last day of employment/enrollment for the current school year or one year from the date of the last signed agreement with GLCS.

### Coverage

- Accidental Damage: Pays for accidental damage caused by liquid spills, drops, or any other unintentional event.
- Theft: Pays for loss or damage of the electronic device due to theft. The claim requires a police report to be filed.
- Fire: Pays for loss or damage of the electronic device due to fire. The claim must be accompanied by an official fire report from the investigating authority.
- Electrical Surge: Pays for damage to the electronic device due to an electrical surge.
- Natural Disasters: Pays for the loss or damage of the electronic device caused by natural disasters.

### Exclusions

- Will not pay if damage or loss occurs in conjunction with dishonest fraudulent, intentional, negligent or criminal act. Individuals will be responsible for the full amount of the repair/replacement.
- Consumables: Including but not limited to the case (\$60); the charger (\$30)
- Cosmetic damage that does not affect the functionality of the device. This includes but is not limited to scratches, dents, and broken plastic ports/parts or port covers.
- Individuals will be responsible for full cost of repairs after the third claim
- Voiding the manufacturer's warranty by tampering with device or system software.
- GLCS is not liable for any loss, damage (including incidental, consequential, or punitive damages) for expense caused directly or indirectly by the equipment.

**I WILL participate** in the Grass Lake Community School District's Electronic Device Accident Protection Plan.

I agree to the provisions outlined in the policy terms and understand that:

- Enrollment in this program is required.
- **A \$5.00 copay will be collected for second and third claims for device repairs; subsequent repair costs will be the responsibility of the individual in full limited to parts and not including labor.**
- The policy only covers the school issued electronic device and does not cover the charger, case or stickers.
- This policy does not cover cosmetic damage that does not impair the use of the electronic device; including, but not limited to: scratches, dents, and broken plastic parts or connection ports.
- Damage as a result of a violation of the Electronic Device User Agreement is not covered; including, but is not limited to: dishonest, fraudulent, intentional, negligent, or criminal acts.
- Damage to the device is still the responsibility of the individual employee or student.
- Liability is limited to the replacement/repair of the device; no additional liability is implied or assumed.
- Opening the casing of the device to expose its internal components or hacking the operating system voids warranties and is not covered by this policy. Physically tampering with or hacking the operating system in an attempt to modify a device removes manufacturer protections.
- Devices covered by this protection plan must be in an approved case. Damage that occurs in transit to or from the school site or school activities when the device is not housed in an approved case is not covered under this policy.
- Enrollment in this program does not cover: Dishonest, Fraudulent, Intentional, Negligent/Criminal Acts.
- The enrollment cost is non-refundable. If student leaves the district before January 15 this amount will be prorated.
