

## **5113 - SCHOOLS OF CHOICE PROGRAM(Inter-District)**

The Board of Education has determined that it will allow nonresident students, residing within the Jackson ISD, but whose parent(s) does not reside in the District, and who qualify, to enroll in the District through a Schools of Choice program during the forthcoming school year. Furthermore, the Board has determined that it will also allow nonresident students residing in intermediate school districts contiguous to the Jackson Intermediate School District to enroll in the District through a Schools of Choice Program during the forthcoming year, provided they qualify.

The Board shall review this decision annually based on information provided by the Superintendent concerning the availability of space in each of the district's schools and programs. The Board shall determine and publish whether or not it will accept applications for enrollment by new constituent district students, contiguous district students, or tuition students by the second Friday in August for the next school year. The Board may, at its option, choose to accept Schools of Choice students for any second semester openings. Openings for second semester must be published two (2) weeks prior to the end of the first semester. Any constituent or contiguous district students who were enrolled during the previous school year or semester under a Schools of Choice program will be permitted to enroll for the next school year.
